

LOOKING AT THE POOR

Mother Teresa said that she saw Christ in the poor. The poor include those who are hungry, the sick, the imprisoned, the elderly, the infirm, the handicapped and all those with special needs. Through the eyes of faith, we see God in others.

LOOKING AT NATURE

The beauty of nature is a universal experience of awe and wonder. For a person of faith, nature's beauty is one of God's most amazing gifts. People of faith experience the beauty of nature because they see God's creative activity.
