GRADES K-8

Introduction

We are pleased to share with you the correlation of **RCL Benziger’s Family Life** program with *Love Is Our Mission: The Family Fully Alive (LIOM)*, the preparatory catechesis for the VIII World Meeting of Families 2015, Copyright © 2014 by World Meeting of Families—Philadelphia. Published 2014 by Our Sunday Visitor.

As you study this document, please be aware of the following:

- At each grade level, references correlated to **RCL Benziger’s Family Life** program Student Edition are listed first, and where applicable, followed by any related references found in the Teacher Edition (TE), the Parent Connection Magazine available for each grade level (PC) or the Human Reproduction Booklets (HR), available for Grades 5 and 6 only.
- The correlation is organized by grade level using the ten chapter themes found in *Love Is Our Mission: The Family Fully Alive*. An overview of these themes can be found on the World Meeting of Families 2015 web site (<http://www.worldmeeting2015.org>).
- Many of the concepts taught in the lessons in **RCL Benziger’s Family Life** relate specifically to paragraphs in the *Love Is Our Mission* document. In those instances, you will find that the corresponding paragraph numbers are listed in parenthesis in the correlation. **RCL Benziger Family Life** lesson concepts that provide a foundation for a *LIOM* theme or address a *LIOM* teaching in general are simply listed in the appropriate chapter area within the correlation.

For example, in Grade 1, Theme 1, Created for Joy, you will find the following listing in the correlation: Lesson 3 (#13-14); TE: Lesson 3, “Affirmation and Confidence.”

This indicates that paragraphs #13-14 are explicitly addressed in the **Family Life** Student Edition. However, the Teacher Edition activity “Affirmation and Confidence,” relates more to the spirit of the chapter or theme (Created for Joy) in the *LIOM* document than a specific paragraph. The TE activity builds on or lays the foundation for the *LIOM* theme.
