

Family Life

The Heart of the Journey

The customs and traditions that anchor the Catholic faith in our lives are nurtured and encouraged within our families. The *Family Life* program is a comprehensive tool for long-term faith development, which supports families in their journey to live healthy, holy lives, and provides resources to nurture a Christian environment in the home.

Adult Faith Formation

New Perspectives

As adults, we grow in faith and discipleship as we continue to turn our hearts and minds to God, and to the fullness of life in Jesus Christ. Programs like *Echoes of Faith 3.0*, *Foundations in Faith*, and *Apprentices in Faith* offer catechists, teachers, and those coming into the Church an opportunity to learn the key concepts of Catholicism.

Bilingual Resources

The World Before Us

These resources build stronger faith and cultural relationships, and encourage us to see the global landscape through the vision of Jesus Christ. The bilingual programs affirm the teachings and practices found in the English programs, creating an environment for shared catechesis and learning based on Catholic doctrine and experience.

RCL Benziger enriches the worldwide Catholic community by providing engaging, high quality resources, programs, and services rooted in the rich and diverse tradition of the Catholic faith. We develop partnerships to nurture and expand the Church's mission to form disciples.
