

Catholic Schools Week

United in Faith and Community

Acrostics

For the Teacher:

Invite your students to work individually, with partners, or as a class to complete one or more of the Catholic Schools Week acrostics. Invite the students to focus on words having to do with Catholic schools and Catholic education. For example, “T” could stand for *teachers*.

As an added challenge, invite upper-elementary and junior high students to think of words having to do with the acrostic word itself. For example, the “A” in “faith” could stand for *Anointing of the Sick*.
