

Catholic Schools Week

United in Faith and Community

Celebrating Faculty, Staff and Volunteers

For the Teacher:

Invite your students to use art supplies to color and decorate one or more of the Catholic Schools Week Thank You cards to give to Faculty, Staff, and Volunteers at your school.

Invite upper-elementary and junior high students to think of a kind and grateful message to write inside the cards. Younger students are invited to draw pictures. Encourage students to deliver their cards before the end of the school week.
